## Dragon Reacher

The Dragon Reacher has an ergonomic design and is strong, lightweight and safe, with no sharp edges. It can grab objects at any height and angle due to its jaw that rotates 360 degrees and patented trigger that multiplies gripping strength. The magnetic tip on the jaws of the reacher is perfect for picking up small metal objects, and a hook aids in activities such as picking up keys, shutting doors or pulling items closer.

A young child with short hair is sitting in bed, looking directly at the camera. They have a thermometer in their mouth. To their left is a large, brown teddy bear wearing a plaid bow tie. The child is wearing a long-sleeved shirt with horizontal stripes. The background consists of white pillows and bedding. The entire image is overlaid with a semi-transparent magenta filter.

4x4in, Lite, 10ct	537338	10165131	060031474799	CR4172

Dukal

## Advazorb Silfix Foam Dressing

Hydrophilic foam dressing with silicone wound-contact layer. Wound-contact layer enables the dressing to be placed on the patient while a secondary dressing is applied for retention. Provides gentle adherence to intact skin, as the hydrophobic nature of silicone ensures that it won't adhere to a wet wound bed.

	ABC 6-Digit	ABC 8-Digit	UPC	MPC
4x4in, 10ct	537340	10165130	060031475031	CR4178

4x4in, Lite, 10ct	537345	10165019	060031475352	CR4186

Dukal

## Eclipse Adherent Dressing

Super-absorbent dressing with self-adhesive soft silicone contact layer. Silicone layer does not damage the surrounding skin, peri-wound area or newly formed tissue and will not adhere to the moist wound bed. Can be easily lifted for adjustment without losing its adherent properties and enables single-handed dressing application.

	ABC 6-Digit	ABC 8-Digit	UPC	MPC
4x4in, 10ct	537357	10165143	060031472436	CR3881

Dukal

**Petrolatum Dressing**

Provides soothing non-adherent protection with more convenience and less mess. Non-adherent petrolatum clings and conforms to all body contours. Nontoxic, nonirritating, guaranteed sterile. Can be used as an initial layer in surgical dressings, on skin graft sites, as treatment of first-degree burns and abrasions, and as wound packing.

**Sterile Island Dressing**

Made of washed, fluff-dried 100% cotton gauze. Open, crinkle weave provides quick wicking, maximum absorbency and greater aeration. Finished edges reduce linting and loose threads. Adds bulk and loft that will conform as needed, secures dressings in place and cushions the wound.
